By submitting this application, I certify that I have a contract to do the work listed above, which I will construct in strict accordance with the ordinances of the City of Houston and the line and grades as established by the Director of Public Works.

Notes:

1. No culvert pipe of less than the inside diameter of the nearest upstream culvert shall be installed. In no case will culvert pipe of less than 18 inch RCP (inside diameter) be allowed. Refer to the Public Works drawing No. 17201-2, Uniform Building Code, Section 9013(a).
2. Driveways are prohibited when abutting local street where there is less than 20 feet of unobstructed depth from the right-of-way line to any obstruction.
3. All parking lots require Storm Drainage approval.
